

# International Accounting

## London & Amsterdam

May 16 - May 29, 2021

# London

While in London, you will network with accounting professionals, tour businesses and visit many culturally important sites. Your experienced faculty members will guide you through the city using all the transportation options available, from the tube, to buses, to water taxis, and of course trains.

We will network with many business professionals from Mazars, Institute of Chartered Accountants, and IFRS.

Tour businesses such as Wimbledon & Fuller's Brewery and take in a hit show in the theater district.

Take in the sights, sounds & historically significant places throughout London.
