*This assumes placement into college level courses. This is only meant to be a guide. Please see your academic advisor to develop your individual plan.

****The Pre-professional concentration is 24 credit hours and will depend on the career direction. Students should consider prerequisites needed for the graduate or professional school. Prerequisite requirements for professional schools vary by institution, therefore it is imperative that students research admission requirements for their particular schools of choice. Students should discuss their concentration courses with their academic advisor or with the WCU Pre professional Advisor.**
