

Adverse Weather

Recognizing that a large part of CRW's facility operations are staffed by student workers, this protocol is designed to align with the university system policy while ensuring that we are still providing services to the campus community when possible and that we are first concerned with the safety of those staffing our operations. The below "condition levels" are defined in university policy #41. Since university class cancellations do not fit into the "condition levels", but instead are treated as a separate decision, we too treat that as a separate decision.

Program Cancellations

In the event academic classes are cancelled, CRW programs are cancelled during that same cancellation period. Cancellation of programs includes, but is not limited to, cancellation of Group Exercise classes, Personal Training appointments, Intramural Sports, Club Sports, and Outdoor Programs. Cancellation of programs does not include facility closures. Please see the conditions below for facility closures/reduction in hours.

Facility Operations

CRW facilities, for the purpose of this protocol, include the Campus Recreation Center, the Climbing Wall, and Reid Pool. Use of the WCU trail system is highly discouraged during any of the below conditions. Use of other outdoor spaces, such as Norton Fields and Camp Lab Fields, are at the discretion of the individual.

CONDITION 1 (REDUCED OPERATIONS)

In the event of a Condition 1 determination, Campus Recreation and Wellness facilities will operate on regularly scheduled hours. Please check recenter.wcu.edu, hours of operation for regular hours.

CONDITION 2 (SUSPENDED OPERATIONS)

In the event of a Condition 2 determination, CRW facilities will operate on a reduced schedule. Monday through Friday facilities will open at 11:00am and close at 7:00pm. Saturday, facilities will open at 11:00am and close at their regularly scheduled time. Sunday, facilities will open at their regularly scheduled time and close at 7:00pm. In the event a condition 2 determination happens after facilities are open, CRW facilities will still close at 7:00pm (Monday-Sunday).

CONDITION 3 (CLOSURE)

In the event of a Condition 3 determination, all CRW facilities will close immediately and remain closed until the Condition 3 determination is lifted by university officials.
