EVENING CLASSES	EXAM DATE AND TIME
5:00-7:50 MTWRF	6:00 during exam week on the day the course normally meets

Alternate Exam Time: Instructors who teach late afternoon classes (those that begin after 3:30 and end after 6:00) may elect to use the exam period designated above for evening classes rather than the standard daytime exam period. Instructors who choose to use the alternate exam time must notify the Registrar's Office three weeks prior to the exam date to prevent double booking exam rooms.

Important Notes: All final exams are to be administered at their designated times and places during final exam week. Change in the time of an examination for an entire class for any reason must be approved by the Department Head, College Dean, the Provost, and the Chancellor. No student is required to take more than two final exams on any one day. Any student who has three final exams scheduled on one day has the option of taking all three or submitting to the professors a written request for rescheduling. A request to have an examination rescheduled must be made in writing at least five days before the examination is scheduled.

Final Exam Rooms will be assigned after the 4th week of term. Notification will be sent to instructors.

Grades for all students are due within 48 hours after the exam period, but no later than 10:00am Monday, May 13.
