7. Readable and acceptable form concerning grammar and syntax (10 pts)	__10__
<b>Total</b>	<b>__100__</b>

Susan.. This is exceptional work. It is difficult to believe this is the first literature review you have conducted and written. It is obvious you have put in the effort to follow the guidelines established for this paper. See the comments left for each of the sections on your returned paper. This was a pleasure to read. Grade: A
