Administrative Review

- A Department Head or Dean may determine that a 1-3-5 year candidate needs to submit a full dossier for review in lieu of an application.

- A candidate may also request an administrative review.

- Administrative review dossier notifications are due today (4 September) for returning faculty.

- Submission of administrative review dossier follows same process as 2-4-6 dossier.
Include university SAI, presented using the standard, comparative CourseEval report format to show frequency response data for all questions (below). Candidates may include other student course evaluation data. 

*Comparison data do not need to be included.*
Other Additions or Changes

- Department Head signs AA-12 only to acknowledge timely receipt of application / dossier.
- The candidate will sign the AA-12 to attest to accuracy of material submitted.
- Names of all committee members for department, college and university now included on the AA-12.
