

## Department of Campus Activities

### March Permit

All organized marches that start and/or end in a Department of Campus Activities' (DCA) operated space should be approved by the Director of Campus Activities or his/her designee. If the march organizer wishes to use an alternate route, other than the approved routes (attached) then they should submit the alternate route to the Chief of University Police or his/her designee for approval at least 20 business days in advance of the march. While this permit gives you permission to march, you still need to reserve a space with the Guest Services Coordinator.
